Article 2 Applicability of the General Delivery Conditions

- 2.1 These Conditions apply to all offers/quotes and all agreements between TTR Euroworks and the Client.
- 2.2 TTR Euroworks reserves the right to add to and/or change these General Delivery Conditions at any time.
- 2.3 The Client accepts these General Delivery Conditions merely by awarding a Contract and/or receiving a supplied Product, and is deemed to have tacitly agreed to the exclusive applicability of these General Delivery Conditions if it places any further orders, either orally, by telephone or otherwise, irrespective of whether there is any written confirmation.
- 2.4 TTR Euroworks is not bound by any general terms and conditions that are declared by the Client to apply, unless TTR Euroworks has explicitly accepted these terms and conditions in writing. Where the Client has declared its general terms and conditions applicable to its orders and/or agreements in general, the General Delivery Conditions of TTR Euroworks will prevail at all times, unless this is deviated from in accordance with a written agreement.
- 2.5 If one or more provisions in these General Delivery Conditions are null and void or are nullified, the other provisions of these General Delivery Conditions will remain applicable in full. The void or invalid provisions will be replaced by provisions that most closely approximate the purpose and intent of the original provisions.

- 2.6 Where these General Delivery Conditions and the quote and/or order confirmation contain contradictory conditions, the conditions included in the quote and/or order confirmation will prevail.

Article 3 Offers

- 3.1 All offers and quotes of TTR Euroworks are without obligation, unless expressly stipulated otherwise in the relevant offer.
- 3.2 Documents provided by TTR Euroworks to the Client are not binding on TTR Euroworks.
- 3.3 TTR Euroworks is not bound by deviations that occur in the acceptance by the Client of the offer/quote of TTR Euroworks.
- 3.4 Verbal undertakings and agreements with employees of TTR Euroworks are not binding on TTR Euroworks until and insofar as they are explicitly confirmed in writing by TTR Euroworks.
- 3.5 If TTR Euroworks incurs costs for the purpose of making an offer, TTR Euroworks is entitled to charge these costs to the Client if TTR Euroworks has informed the Client of this in advance in writing.
- 3.6 In the case of a composite offer/quotation for multiple services, TTR Euroworks is under no obligation to perform part of the services for the corresponding part of the stated price if the other part is not accepted.

Article 4 Contract

- 4.1 A Contract is formed by, and at the time of, sending an order confirmation or the acceptance by the Client of an offer/quotation, or the written confirmation of an order by TTR Euroworks or by the actual commencement of activities and/or services by TTR Euroworks.
- 4.2 The Client is entitled to send further contracts to TTR Euroworks by means of an e-mail. TTR Euroworks is not responsible or liable for any misuse of the e-mail addresses used by the Client.
- 4.3 TTR Euroworks reserves the right to notify the Client in writing within eight days that the order referred to in paragraph 1 cannot be executed, or cannot be executed without being changed, as a result of circumstances of which TTR Euroworks could not reasonably have been aware, in which case the Contract will be terminated unless an agreement can still be reached.
- 4.4 After the formation of the Contract, changes and/or additions proposed by the Client will only be carried out by TTR Euroworks after written acceptance by TTR Euroworks.
- 4.5 Information concerning the Product offered, such as properties, sizes, colours and

composition as well as data relating to printed matter, catalogues, images and the like which are provided by TTR Euroworks along with the offer, are indicative and not binding on TTR Euroworks, and are submitted in good faith.

- 4.6 A Contract awarded by the Client can only be revoked or terminated within three working days, in which case the Client is required to reimburse TTR Euroworks for the costs it has incurred, which costs are fixed in advance at 20% of the agreed price. If TTR Euroworks has commenced the execution of the Contract and the Client then revokes/terminates the Contract, the Client will owe TTR Euroworks the agreed price in full.
- 4.7 TTR Euroworks is entitled to investigate whether the Client is able to fulfil its obligations within the statutory parameters. If TTR Euroworks, on the basis of this investigation, has valid grounds not to enter into the Contract, it is entitled to refuse a Contract or to attach special conditions to the execution of a Contract, including the provision of security by the Client for the fulfilment of its obligations.
- 4.8 The Client is obliged to provide TTR Euroworks with all data and documents that TTR Euroworks considers to be reasonably necessary for the proper execution of the awarded Contract, in good time, in the desired form and in the desired manner.
- 4.9 The Client must ensure that TTR Euroworks is immediately informed of facts and circumstances that could be important in connection with the proper execution of the Contract.

Article 5 Execution of the Contract

- 5.1 A Contract is construed by TTR Euroworks as an obligation to execute the Contract to the best of its knowledge and ability, taking into account the interests of the Client. TTR Euroworks will execute the Contract to the best of its knowledge and ability. A Contract does not mean, however, that TTR Euroworks has an obligation to achieve a result.
- 5.2 TTR Euroworks will determine the manner in which the Contract is executed.
- 5.3 The Client will ensure that he provides TTR Euroworks with all information that he/she/it reasonably understands to be required for the execution of the Contract, in good time and in full.
- 5.4 TTR Euroworks will exercise the required due care in the execution of the Contract. TTR Euroworks cannot and will not guarantee the correctness and completeness of the measurements and/or colour combinations mentioned in or for a Product. Minor deviations may occur.

- 5.5 Deviations between the Product delivered, on the one hand, and the original design, drawing, copy or model or the typesetting, printing or other proof, on the other hand, cannot constitute grounds for rejection, discount or termination of the agreement or compensation if they are of minor importance.
- 5.6 When assessing whether or not deviations in the overall Product can be considered as minor, a representative sample will be taken of the work unless the work concerns individual goods.
- 5.7 Deviations that, taking all circumstances into account, have no reasonable effect or a minor effect on the value in use of the Product are always considered to be deviations of minor importance.
- 5.8 If (design) advice is given by a third party on the basis of a Product, TTR Euroworks is never liable for this advice and the actions of a third party.

Article 6 Materials supplied by the Client

- 6.1 If the Client has agreed with TTR Euroworks that Client will supply materials or products for printing or processing, he/she/it must ensure that this delivery takes place in a timely and proper manner in the interests of a normal systematic production. To this end, the Client will request instructions from TTR Euroworks.
- 6.2 In addition to the materials or products required for the agreed performance, the Client is also obliged to supply a reasonable quantity for proofs and the like for the relevant processing. To this end, the Client will request a specification from TTR Euroworks. The Client guarantees that TTR Euroworks will receive a sufficient quantity.
- 6.3 TTR Euroworks is not obliged to examine the suitability of the goods received from the Client prior to the printing or the processing thereof.
- 6.4 TTR Euroworks cannot be held liable for the failure to comply with the agreement if this failure is caused by exceptional processing circumstances or processing circumstances that are reasonably unforeseen by TTR Euroworks and which arise from the nature of the materials or products supplied by the Client or is a consequence of deviations between the sample initially shown to TTR Euroworks and the materials or products subsequently supplied by the Client for the print run.
- 6.5 TTR Euroworks will not guarantee (product) properties such as durability, adhesion, gloss, colour, light or colour fastness or abrasion resistance if the Client has not indicated the properties and the nature of the materials or products supplied by it when entering into the agreement at the latest.

Article 7 Prices

- 7.1 The prices indicated by TTR Euoworks are based on any information provided with the request and exclude sales tax.
- 7.2 Agreements are always concluded on the basis of the prices applicable at the time of entering into the agreement.
- 7.3 If, after the date of the Contract, there is an increase in one or more cost price factors - even if this is due to foreseeable circumstances - TTR Euoworks is entitled to increase the agreed price accordingly, without the Client being entitled to compensation or termination of the agreement.
- 7.4 Price fluctuations as a result of mandatory government measures, such as an increase in VAT, are always passed on.
- 7.5 Extra elaborate text, unclear copy, unclear sketches, drawings or models, inadequate information carriers, inadequate computer software or data files, inadequate method of supplying of the materials or products to be supplied by Client and all similar supplies by the Client that result in TTR Euoworks being required to perform extra work or incur extra costs than those that could reasonably be expected at the conclusion of the agreement, are grounds for increasing the agreed price. Extraordinary or reasonably unforeseeable processing difficulties resulting from the nature of the materials and products to be processed, are grounds for increasing the agreed price.
- 7.6 TTR Euoworks is entitled to increase the agreed price or to reduce the price if the Client makes changes to the originally agreed specifications, including author's corrections or modified instructions after receipt of working drawings, models and typesetting, printing and other proofs. TTR Euoworks will cooperate with these changes, within reasonable limits, if the content of its performance does not deviate substantially from the originally agreed performance.
- 7.7 Costs arising from additions and/or changes to the Contract are at the expense of the Client.

Article 8 Delivery

- 8.1 The specified delivery times are only approximate and subject to unforeseen circumstances. Unless otherwise stated and/or agreed, TTR Euoworks is not under any obligation with regard to the delivery times and non-timely delivery, for whatever reason, does not entitle the Client to compensation or termination of the Contract.
- 8.2 A small or, in view of the circumstances, reasonable overrun of the delivery times cannot be enforced against TTR Euoworks. TTR

Euoworks is only in default for an overrun of the delivery times after a notice of default sent by registered post.

- 8.3 All deliveries will take place at the offices of TTR Euoworks, unless the parties expressly agree otherwise. Delivery will take place at the expense and risk of the Client.
- 8.4 The delivery of goods to the Client will take place at the address provided by the Client, insofar as the means of transport for the delivery is able to reach this address, at the sole discretion of the driver, unless the parties have agreed otherwise in writing.
- 8.5 If the Client does not accept the goods at the agreed time of delivery, these goods will be stored at his/her/its expense and risk.
- 8.6 The risk of loss of or damage to the Products that are the object of the Contract, will pass to the Client at such time as the Client or an auxiliary person engaged by the Client has actual possession of these Products.

Article 9 Reservation of ownership

- 9.1 Any delivery of Products by TTR Euoworks will take place subject to the reservation of ownership thereto, until the Client has paid all that it is bound to pay under any agreement with TTR Euoworks.
- 9.2 The reservation of ownership of TTR Euoworks includes all amounts due, including interest and costs, which TTR Euoworks may receive from the Client due to shortcomings of the Client in the performance of its obligations.
- 9.3 Until that time, the Client is obliged to store the goods delivered by TTR Euoworks separately from other goods and to clearly identify these goods as being owned by TTR Euoworks.
- 9.4 As long as the aforementioned outstanding amounts have not been paid, the Client is not entitled to dispose of the goods in question or to establish a right of pledge or non-possessory right of pledge on the goods.

Article 10 Typesetting, printing or other proofs

- 10.1 The Client is obliged to carefully examine printing or other proofs received from TTR Euoworks, whether or not at the request of TTR Euoworks, for errors or defects and to promptly correct or approve these and return them to TTR Euoworks.
- 10.2 Approval of the proofs by the Client counts as acknowledgment that TTR Euoworks have correctly carried out the work preceding the proofs.

- 10.3 TTR Euoworks is not liable for deviations, errors and defects that have gone unnoticed in proofs approved or corrected by the Client.
- 10.4 Any proof made at the request of the Client will be charged in addition to the agreed price, unless it has been explicitly agreed that the costs of these proofs are included in the price.

Article 11 Intellectual property

- 11.1 All intellectual and industrial property rights, including but not limited to copyright and design law, to all Products, designs, models, visualisations, websites, visual materials and preparatory materials thereof that are developed and/or made available under the Contract, are exclusively retained by TTR Euoworks.
- 11.2 The Client is not permitted to remove or change any designation concerning copyrights, trademarks, trade names or other intellectual or industrial property rights from the Products or other visual material.
- 11.3 The Client is not permitted to provide the Products created by TTR Euoworks to third parties or to reproduce, disclose or use these Products other than for the normal business operations of the Client, except with the express prior written permission of TTR Euoworks.
- 11.4 The Client guarantees TTR Euoworks that by the performance of the agreement and in particular by the reproduction or disclosure of the goods received from the Client, such as copy, composition, models, drawings, photographic recordings, lithographs, films, information carriers, computer software, data files, etc., that no violation is made of the rights that third parties may assert under the applicable Copyright Act (*Auteurswet*) or other national, supranational or international regulations in the field of copyright or the intellectual and/or industrial property rights or the law relating to a wrongful act. The Client indemnifies TTR Euoworks, both at law and otherwise, against all claims that third parties may assert pursuant to this law or these regulations.
- 11.5 If reasonable doubt arises or continues to exist regarding the correctness of the rights claimed by third parties, as referred to in paragraph 4 of this article, TTR Euoworks is authorized but not obliged to suspend the performance of the agreement until such time as it is irrevocably established in law that TTR Euoworks is not infringing these rights by its performance of the agreement. Thereafter, TTR Euoworks will execute the Contract within a reasonable period.
- 11.6 In the event of violation of this article, the Client will forfeit an immediately due and payable penalty of EUR 5,000 per violation, as well as a penalty of EUR 500 for each day that the

violation continues, without prejudice to the right of the party incurring damage to claim the actual damage in all these cases.

Article 12 Complaints

- 12.1 When the Products are delivered these must be checked by the Client for visible defects and/or damage.
- 12.2 Complaints will only be accepted if and insofar as they are explicitly notified to TTR Euoworks within five days of delivery of the Product and TTR Euoworks has been given the opportunity to check this.
- 12.3 Complaints about invoices must likewise be submitted in writing no later than ten days after the date of dispatch of the relevant invoice.
- 12.4 After the expiry of this period, the Client is deemed to have approved the delivered goods or the invoice, respectively. In such case, complaints will no longer be processed by TTR Euoworks.
- 12.5 The quality requirements or quality standards of goods to be delivered by TTR Euoworks must be explicitly agreed. Minor, usual or technically unavoidable deviations and differences in quality, colour, size or finish do not constitute grounds for submitting a complaint.
- 12.6 In the case of complaints acknowledged by TTR Euoworks, subject to any liability arising from the law, TTR Euoworks is only obliged to replace the relevant goods or to credit the price charged for such goods, at the discretion of TTR Euoworks.
- 12.7 The Client must provide TTR Euoworks with an opportunity to amend the size or colour differences or repair the damage of the goods that are in their original state and in the original packaging, insofar as this can reasonably be required of him/her/it but in any case no less than eight working days after the complaint. However, if the Client has fully or partially adapted, processed or delivered the goods, then all rights of complaint and/or rights to compensation will lapse. With regard to complaints, each partial delivery is considered as a separate delivery.
- 12.8 The submission of a complaint does not release the Client from its payment obligation with respect to TTR Euoworks. The Client is not entitled to suspend its payment obligations.

Article 13 Payments

- 13.1 Payment of an invoice amount must be made by means of a deposit to a bank account designated by TTR Euoworks within 14 days of the invoice date without any right to discount or setoff, unless otherwise stated on the invoice or otherwise agreed between the parties.

- 13.2 TTR Euoworks always has the option to require the Client to make a payment in cash, either as an interim or as a partial payment.
- 13.3 If payment has not been made within the aforementioned period or if a judicial/extrajudicial suspension of payments, bankruptcy or debt rescheduling arrangement has been applied for or has been ordered, the Client is in default by operation of law and TTR Euoworks is entitled to charge statutory interest on the outstanding amount from the due date without further demand or notice of default.
- 13.4 All extrajudicial costs incurred to collect the debt, including the costs of engaging a legal adviser, will be borne by the Client.
- 13.5 Payments made by the Client will always be applied firstly as payment of all interest and costs owed, secondly as payment of due and payable invoices that have been outstanding the longest, even if the Client states that the payment relates to a later invoice, and thirdly as payment of the principal sum and the accrued interest.
- 13.6 If the Client remains in default of timely payment, as referred to in paragraph 1 of this article, then the Client will owe statutory commercial interest or, if applicable, statutory interest on the amount from the invoice date due to the delay in payment of the outstanding amount. TTR Euoworks is entitled to charge a twelfth part of this interest for every month or part of a month during which the Client has not fully fulfilled its payment obligation. In addition to the amount owed and the interest thereon, the Client is obliged to pay full compensation for both extrajudicial and judicial collection costs, including the costs of lawyers, bailiffs and debt collection agencies. The extrajudicial costs are set at at least 15% of the principal sum with interest, with a minimum of EUR 100.

Article 14 Liability

- 14.1 TTR Euoworks will execute the Contract to the best of its ability and, in doing so, will observe the due care that can be expected from TTR Euoworks. If defects arise because the Client has provided incorrect or incomplete information to TTR Euoworks, TTR Euoworks is not liable for the resulting damage. TTR Euoworks is only liable for any mistakes that are attributable to it during the execution of the Contract. This liability is limited to the amount that is actually paid out by the insurer with regard to the claim under the professional liability insurance taken out by TTR Euoworks in the relevant case.
- 14.2 If TTR Euoworks is unable to claim the damage resulting from this liability under the professional liability insurance, then the liability of TTR

Euoworks is limited to a maximum of twice the invoice value of the relevant Contract, unless there is intent or deliberate recklessness on the part of TTR Euoworks.

- 14.3 TTR Euoworks is never liable for indirect damage, including consequential damage, loss of profit, missed savings and damage as a result of business interruption.
- 14.4 TTR Euoworks is not liable for damage of any kind that arises after the delivery of the manufactured goods that are due to or occur after the Client has put to use, processed or treated these goods, has provided these goods to third parties or put them to use by third parties, or has provided them to third parties for processing or treatment.
- 14.5 TTR Euoworks is likewise not liable for damage to materials or Products received by TTR Euoworks from the Client for printing, processing or treatment by TTR Euoworks if, at the latest at the conclusion of the agreement, the Client did not inform TTR Euoworks of the characteristics and the specifications of these materials or Products and did not provide sound information about the pre-processing and special finishing applied.
- 14.6 TTR Euoworks also accepts no liability if the Products to be delivered are not suitable for the purpose for which the Client wishes to use them, if this purpose has not been made known to TTR Euoworks.
- 14.7 TTR Euoworks and the Client mutually indemnify each other against all third-party claims that are directly or indirectly related to the execution of the Contract.
- 14.8 During the execution of the Contract, the Client and TTR Euoworks can communicate with each other by means of electronic e-mail. Both TTR Euoworks and the Client acknowledge that the use of electronic e-mail involves risks such as - but not limited to - distortion, delay and viruses. The Client and TTR Euoworks hereby agree that they are not liable vis-à-vis each other for any damage that may arise for one or both of them as a result of the use of electronic e-mail.

Article 15 Guarantees

- 15.1 TTR Euoworks guarantees that the Products delivered by it are of good quality and, at a minimum, comply with all relevant statutory provisions regarding quality, environment, safety and health. The guarantee commitment of TTR Euoworks does not extend beyond the explicit quality stipulations made or the explicitly quality standards agreed. This guarantee applies on delivery as well as for one year thereafter and only applies to defects due to a defective design or material or manufacturing defects. TTR

Euroworks will, at its discretion, repair the defects or have the relevant Products replaced.

15.2 A claim under a guarantee will not be honoured if:

- in the opinion of TTR Euroworks improper use exists or repair, cleaning or maintenance work has taken place without the permission of TTR Euroworks or any other negligent act;
- the goods have been used for purposes other than those for which the Product is intended or suitable.

Article 16 Force majeure

16.1 If TTR Euroworks cannot, cannot timely or improperly fulfil its obligations under the Contract as a result of a cause that cannot be attributed to it, including the interruption of the regular business operations of its company, these obligations will be suspended until the moment that TTR Euroworks is able to fulfil its obligations in the agreed manner.

16.2 The Client is entitled, if the situation referred to in the first paragraph of this article occurs, to terminate the Contract in whole or in part and with immediate effect in writing, without TTR Euroworks being obliged to compensate any damage that is in any way related to such termination.

Article 17 Confidentiality

17.1 Both parties are obliged to keep secret all confidential information that they have obtained from each other or from another source in the context of the Contract. Information is considered confidential if this has been communicated by a party or if this arises from the nature of the information.

17.2 In the event of violation of this article, the offending party will forfeit an immediately due and payable penalty of EUR 5,000 per violation, as well as a penalty of EUR 500 for each day that the violation continues, without prejudice to the right of the party incurring damage to claim the actual damage in all these cases.

Article 18 Ban on the recruitment of staff

The Client will refrain from recruiting or making attempts to recruit employees of TTR Euroworks, unless it has been granted prior written permission to do so.

Article 19 Applicable law and choice of forum

19.1 The Contract, these General Delivery Conditions and the entire legal relationship between TTR Euroworks and the Client is governed exclusively by Dutch law, with the exclusion of conflict law, which means that if and insofar as the law of another country would apply under the rules of private international law, then Dutch law still applies. The applicability of the Vienna Sales Convention (CISG) is excluded by the parties.

19.2 All disputes ensuing from/in connection with this agreement will, in the first instance, be resolved exclusively by the Dutch courts or a Dutch arbitration tribunal.

19.3 The Dutch text of these General Delivery Conditions will prevail over translations thereof.
