

+NT910 NYLON TAFFETA

Our Woven tapes including tafetta tapes and fabrics for printed labels are made of PA/PES blend with polyamide (PA) coating in white and 100% polyester with polyerthane (PU) coating in white.

Taffeta fabrics are constructed with tightly woven nylon fibers that exhibit an elegant sheen with a crinkled texture. Whether you need a label for washing instructions, branding, contact information, or simply to put your name in a garment, Clothing Labels by TTR Euroworks is your source for dyes in clothing; self-adhesive materials suitable for any type of printing like shoes, mattresses, catalogues and helmets.
