

# WR4U220

STRONGEST WAX RESIN | FLATHEAD

The **WR4U220** is our strongest wax-resin resin for labels that need to meet harsh conditions, where durability is needed to produce long-lasting images

It offers good resistance to liquids like water and household cleaners. It produces excellent bar codes and images on both paper and synthetic substrates, providing superior abrasion, solvent and scratch resistance. It also prints well on rough or porous surfaces.
