

W4U120

Flathead

High-quality wax ribbon for a wide range of applications. **W4U 120** prints durable images on a variety of substrates.

This resin-enhanced wax produces high-quality, dark, dense images and offers one of the highest smudge and scratch resistance of its class. It prints at a maximum speed of 300 mm/s (12 IPS).

Characteristics

- + Highest smudge & scratch resistance in its range
- + Super edge definition for dark, dense images
- + Prints on many substrates
- + Prints at high speed, delivering sharp rotated barcodes

Substrates

- Coated paper
- Synthetic paper
- Uncoated paper
- UV-varnished labels

Applications

- Shipping
- Food contact
- Shelf & bin
- Retail
- Packaging
- Pharmaceutical
- Inventory & logistics

Storage: Out of direct sunlight. Storage between temperatures of 5 °C to 35 °C (41 to 95°F) in dry conditions.

Technical specifications

Carrier	4.5µm
Color	Black
Max. print speed	300 mm/s (12 IPS)
Ink melting point	73°C (165°F)
